

ADDITIONAL CATEGORY CODES FOR BACHELOR QUARTERS

NAVFACENGCOM Bachelor Housing (BH) Headquarters (HQ) established additional category codes for bachelor housing purposes. Currently, all bachelor officers are identified using two category codes (724-11 and 724-12). These two category codes are used to capture both Permanent Party and Transient officer personnel. BH HQ is required to distinguish between Permanent Party and Transient officer personnel in order to accurately determine requirements.

BH HQ's ultimate goal is to have a separate category codes series for all transient personnel (enlisted and officers). Toward this end, BH HQ has created a category code series beginning with 726. However, when this was presented to NITC, we were advised that this change and the subsequent transfer of all affected data to the new category code series would require a significant programming/administrative effort. Since BH HQ has an immediate need to separate transient from permanent party personnel, an interim solution has established. The solution is to establish two interim category codes in the existing bachelor officer series (724). That will provide four (4) officer category codes which can be used to separate the officer group into Transient and Permanent Party personnel. The new category codes will be 724-13 and 724-14. These two new category codes will be used to identify Transient Personnel. The existing officer category codes 724-11 and 724-12 will be used to identify Permanent Party officer personnel.

In the meantime, BH HQ will continue to work to establish the 726 Transient series. Once the new series has been established at some future date, all transient enlisted and officer personnel will be transferred this new category code series.

In addition to establishing the interim category codes, a description change for category codes 724-11 and 724-12 has been made.

These category codes will be used to identify Transient Personnel. The existing officer category codes 724-11 and 724-12 will be used to identify Permanent Party officer personnel. In addition, please pay attention to the general note changes for category codes 724-11 and 724-12.
